out of Retaliation for my good faith use of the SCT Grievance System about Deputy Estrada and the inmate trustee's being extremely loud at 2:00 AM on 2-23-18 keeping me awake. Retaliation for good faith use of our system one week later, after I filed the grievance, Deputy Estrada at 5:30 AM, and the same trustee, come to me Segregation Cell Door to serve my ADA Meal. Deputy Estrada had already opened all the Cuff Ports in the unit, and touched all the doors, and keys prior to serving my meals. Deputy Estrada handed each inmate their Brown Paper Sack containing their Breakfast meal. he had been passed my cell door and made me last. When he came back to my cell door, he opened my Brown ADA Meal, and with the same dirty gloves, proceeded to take my food out of the Brown Bag and handed it to me one item at a time. When I complained about this he put the rest through the Cuff Port, and walked away. I asked for my Breakfast Drink of tea, which is listed on the ADA Meal Label each of my meals. (See Attached label) Deputy Estrada refused to provide the rest of my meal, until I said Please. When I would not say Please he refused my meal and punished me by withholding food.

IV Statement of Claim

Deputy Estrada #6334 works the 4 South Module one regular shift each week and that is a graveyard shift starting at 12:00 AM on Friday mornings

The 4 South Module is designated at Maximum Security, No inmates are allowed out of the cell unless handcuffed.

On the odd numbered days, inmates are escorted to the Segregation area to utilize a shower, Phone or book cart.

On the even number days inmates are escorted to the outside recreation area if they so choose to go outside.

As a result of this classification all meals are provided to the inmates inside the single man cell that they reside in. The doors are equipped with a cuff port that is opened and the food bags or trays are slid into the cell. These cuff ports are also used to transfer clean and dirty laundry along with all trash that the inmate wants to get rid of. These cuff ports have been in use for many years and they are not cleaned on any regular schedule and have many years of spilled food and other things spilled in or around them.

The deputies feel that because they are wearing gloves they have the right to touch our food after opening these cuff ports. In this incident Deputy Estrada had opened all cuff ports to the doors that held inmates, prior to the meal cart arrival, he then exited the first door and allowed the inmate trustee to roll the cart into the unit. Never changing his gloves. Then he proceeded to feed the inmates handing them their breakfast bags. Leaving me until the last. As explained further down this document.

On February 23, 2018 I wrote a grievance (#222 Attached and #222 Appeal Attached) concerning that lack of respect and the sleep deprivation by actions of the trustee's and Deputy Estrada #6334. This is an ongoing problem weekly with the trustee's coming into the unit in the middle of the night to clean and being extremely loud and carrying on loud conversations with Deputy Estrada. These conversations are not about running the unit or cleaning, these are conversations about cars and other aspects of life on the outside of the jail. These conversations

go on for up to 20 minutes and during that time we are kept awake due to the noise.

I have filed more than one kite on this subject to the graveyard Sergeants and had not received any type of resolution in this matter so I filed a grievance concerning this and named Deputy Estrada #6334.

I had also filed a kite that Deputy Estrada had collected my personal laundry the morning of February 23, 2018 and that it was held somewhere in the module and it never was washed or dried. SGT Roy responded to this and told me to retry next time. (Kite Dated 2-23-18 Attached)

On March 2, 2018 I was woke up at 5:00 AM by the nurse who was checking my blood sugar levels.

A short time later breakfast was being delivered and I was standing at my door waiting for my breakfast. I am on the ADA meal due to my diabetes and my bag comes sealed from the Kitchen, wrapped in plastic wrap. The deputies take the plastic wrap off and hand me the bag or tray at each meal.

This time Deputy Estrada had already opened the cuff ports on the doors, went out to the lobby to retrieve the food cart, touching all the doors along the way.

He started handing out the breakfast bags at cell number 4 and came down the line. He bypassed my door and dropped off the special diet to Mr. Fryberg in cell number 8.

He came back to my door and proceeded to open my breakfast meal and hand me my items one item at a time through the cuff port. This had never been done in all the time in the hole. I asked him what he was doing and he claimed he was checking my meal. He was touching each of my food items with the same gloves he had been wearing to open the cuff ports, the doors and who knows what else.

As a result the trustee did not offer or give me any of the morning drink that is required. When Deputy Estrada and the trustee came back down the stairs, Deputy Estrada went to Cell #5 and was handing Mr. Watkins his Commissary Order that had come from the other module.

I said out my door **"CAN I GET SOME TEA"** Deputy Estrada stepped away from cell #5 and the trustee told him that he had not given me any tea that morning. Deputy Estrada said to me **"IF YOU SAY PLEASE YOU CAN HAVE SOME TEA"** I stated to him **"I AM NOT GOING TO BEG YOU FOR MY MEAL"** he again told me **"YOU NEED TO TREAT ME WITH RESPECT AND SAY PLEASE"** and I again replied that **"HIS JOB WAS TO FEED ME AND I DID NOT HAVE TO BEG FOR MY FOOD"** He said **"SAY PLEASE"** and I asked to speak to the sergeant which he told me that he did not need to call a sergeant. I pushed the button to CCR asking to speak to the sergeant on duty and before she could say anything to me Deputy Estrada stepped to my cell door and said loudly to the lady on the intercom **"DISREGARD THAT REQUEST I WILL HANDLE IT"**

Deputy Estrada came back to my door 10 minutes later to retrieve the waste and close the cuff port. I was already back in bed with my head covered up and was trying to calm down and go back to sleep. Deputy Estrada said to me **"BRENNAN I CALLED THE SERGEANT AND HE IS TOO BUSY TO COME SEE YOU AND HE TOLD ME TO WRITE YOU UP"** I uncovered my head and stated this to him **"I AM A PRE-TRIAL DETAINEE AND I AM NOT CONVICTED THEREFORE YOU HAVE NO RIGHT TO WITHHOLD MY FOOD AS A PUNISHMENT"** and his response to that was **"MY JOB IS TO CORRECT YOUR BEHAVIOR AND THAT'S WHAT I AM GOING TO DO"** and my final response to him was **"YOU HAVE NO RIGHT TO WITHHOLD MY FOOD BECAUSE I WON'T RESPOND TO YOU IN THE WAY YOU WANT. I WILL FILE A GRIEVANCE AND HANDLE IT MY WAY"**

As a result he did infract me for this and I was served after 7:00 on March 2, 2018 by Deputy Gilfeather. (Infraction Number 2018-00001035)

I had already filed a grievance and it was dated and signed by Deputy Spangler March 2, 2018 at 1343 hours. (Grievance #246 and #246 Appeal Attached)

Deputy Estrada withheld part of my meal as a punishment for not responding to him in a way he demanded. I do not have to even speak to these deputies to get my food. Deputy Estrada I feel was doing this out of retaliation for my filing a grievance the prior week for his not respecting my sleeping hours with his loud

noises. From the February 23, 2018 shift I filed both a kite about the laundry issue and the grievance about Deputy Estrada.

I had filed the grievance #222 about the noise and Deputy Estrada lied to the investigating officer about the noise. Another inmate had also filed a grievance and complaint about the same issue and the same incident about the noise. Inmate Colt Borgeson #1866105.

I have spoken to the day shift SGT Ogawa and he read the infraction and the statements in the infraction about handing my food one piece at a time through the dirty cuff port, and the statement about his job is to correct my behavior. SGT Ogawa stated to me that he could see why I was upset about my food being touched and handled with gloves that had already touched the dirty cuff ports of other doors, and others things prior to my food being brought to me. And SGT Ogawa also told me that the statement about his job being to correct my behavior was also incorrect and that was not even in his job description.

On March 5, 2018 I sent a Kite (attached) to LT Sundstrum #6010 concerning the infraction and the fact that Deputy Estrada had withheld part of my meal as a punishment. LT Sundstrum is the Graveyard Commanding officer here at the Snohomish County Corrections.

As a result at 2:00 AM on March 6, 2018 LT. Sundstrum came to my cell and had me handcuffed and moved to a secure location in the module so that we could discuss this incident. I presented him with all the documents that are also attached that clearly shows that the Deputy could have taken steps in the direction of retaliation for the kites and grievances filed about the noise and the laundry issue the prior week to this incident.

LT. Sundstrum #6010 sent a hand written letter back to me (Attached) explaining that he had addressed these issues with Deputy Estrada and that withholding food or any part of the meal is not to happen again.

I have told him that he can not withhold food, in this case TEF from you, unless you are posing some type of threat. I have told him if he needs to get a sergeant for whatever reason to do so, if the sergeant is not available he can call me if I'm on duty.

I have asked him to try and keep the noise down as much as possible when the INMATE workers are cleaning. I hope that this addresses the issues you are concerned about.

Narrative

On Friday March 2, 2018, I, Corrections Deputy (C/D) Estrada #6334 was assigned as the 4S module deputy for the Snohomish County Sheriff's Office Corrections Bureau.

At approximately 0530 hours, while serving breakfast, Inmate Brennan Ronald #1705723 became extremely angry because I opened his breakfast sack in his presence. He used profanity towards me while questioning why I was handing him one breakfast item at the time. I explained to him that I was only doing that to make sure all of his items were accounted for. It should be noted that I/M Brennan has written several grievances towards staff and the kitchen because of the same issue. He then retreated to his bunk and began eating.

I continued serving breakfast, when returned to his cell he blatantly demanded tea. I informed him that the way he was asking was very disrespectful and if he wanted tea all he needed to say was "please". He yelled at me saying "Your fucking job is to fucking feed me, I don't have to beg for food" I replied by informing him that my job was to correct behavior and I would never expect anyone to beg for food. I also informed him that I always treat all inmates with the same respect, regardless of the situation, and I expect the same respect in return. He continued yelling at me arguing he was not convicted yet and that his behavior did not require corrections. He then demanded a Sergeant and began pushing his emergency call button. As I was walking away from his cell, I heard him say "I'll just grieve you later" in a threatening manner.

I informed I/M Brennan that after speaking with the Sergeant, he was going to be written up on a Major Rule Violation 202 - Profanity/Disrespect - For using profanity, abusive language and derogatory remarks or gestures towards staff.

When Deputy Estrada works the inmate trustees are allowed to be loud, rude and extremely noisy. loudly talking about cars, and other topics. Deputy Estrada will be upstairs and the trustees downstairs loudly talking back and forth about all kinds of subjects. This seems to be a weekly occurring event. I have kited before.

Today at breakfast I put my laundry out in a USCT mesh Laundry Bag marked 45. Deputy Estrada took it and it should of been put where it could of been taken to laundry.

Deputy Spangler Brought Back my laundry. I took my T-Shirt out, and socks. My laundry had never been washed or dried. It was still dirty. It was never sent to laundry at all.

This is becoming a big problem. First I don't get back laundry. Then it comes

Response: Back just now not even washed - Please fix this problem
Try again.

THIS IS AN ONGOING PROBLEM. AND SLEEP DEPRIVATION IS A RESULT. MOST DEPUTYS ARE RESPECTFUL AND KEEP CONTROL OVER THE NOISE. WHEN DEPUTY ESTRADA WORKS THE INMATE TRUSTEES ARE ALLOWED TO BE LOUD, RUDE AND EXTREMELY NOISY. LOUDLY TALKING ABOUT COPS, AND OTHER TOPICS. DEPUTY ESTRADA WILL BE UPSTAIRS AND THE TRUSTEES DOWNSTAIRS LOUDLY TALKING BACK AND FORTH ABOUT ALL KINDS OF SUBJECTS. THIS SEEMS TO BE A WEEKLY OCCURRING EVENT. I HAVE KITED BEFORE

What actions have you taken to resolve this complaint informally? Indicate the names of staff with whom you have attempted to resolve this issue and their response.

TALKED TO CLASSIFICATION, SENT KITES PRIOR.

What action or resolution are you seeking?

AFTER 10PM HAVE SOME CONSIDERATION FOR PEOPLE ASLEEP. DO NOT ALLOW UN-NECESSARY LOUD CONVERSATION AT NIGHT

Deputy Estrada #6334, INMATE Trustee's

State your grievance clearly in the space below. If you need more space, attach separate sheets of paper. For appeals, indicate what new information you believe has become available, or what error you believe was made by the original respondent.

This is a weekly problem, I have sent prior kites about the trustee's coming into 4th floor late at night and being extremely loud, having loud conversations between them and the deputies. Inmate Borgeson ~~was~~ #1866105 was in cell 04 on this date and also filed a complaint about the noise at 2:00 AM. I understand that cleaning is going to have some noise. What I don't want to hear is loud conversations about cars, and other aspects of life outside SEC.

What actions have you taken to resolve this complaint informally? Indicate the names of staff with whom you have attempted to resolve this issue and their response.

Classification kites, grievance.

What action or resolution are you seeking?

10 PM TO 10 AM have some consideration for people who sleep. The deputies and inmate trustee's don't need to have loud conversations. And please no retaliation again.

ESTRADA, TRISTAN

I interviewed with Lt. Sundstrom on 3-6-18 @ 2:00 AM concerning this incident and provided him with a typed statement.

Deputy Estrada refused my drink at breakfast because I would not say please. I did not get my drink that meal and he used withholding food as a punishment for not saying please. I am on ADA meal.
